

A NOTE FROM OUR PRESIDENT

Re: COVID-19, Coronavirus

11 March 2020

Arrow Park was established in 1948 as a place of rest and recreation away from the hustle of city life. As an event and wedding venue we are dedicated to providing a stress-free, peaceful and memorable time for all of our guests and their families while they enjoy our beautiful property.

Nothing is more important than the safety and well-being of our guests and employees.

We have all spent the past few weeks watching the news about the coronavirus (COVID19) and are making changes to respond to the threat of coronavirus.

Arrow Park is monitoring the CDC guidelines and stressing to our employees the importance of hand washing, social distancing and avoiding face touching. We are asking them to stay at home if they feel sick, have a fever or are coughing.

We have set up guidelines about disinfecting surfaces with our housekeeping department and in our executive offices.

We want to assure you that we will continue to do everything in our power to protect our guests and our employees.

Thank you,

Julia Kole
President
